limit on the interstate. How are you going to enforce this? It's well-intended, but I don't think I'm going to vote for the amendment or the bill. I just don't think there's any place for it right now.

SENATOR CUDABACK: Thank you, Senator Schrock. Senator McDonald, on the Beutler amendment.

SENATOR McDONALD: Mr. President and members of the body, I'd like to speak to Senator Aguilar, if he has a moment.

SENATOR CUDABACK: Senator Aguilar, would you yield to a question from Senator McDonald?

SENATOR AGUILAR: I will.

SENATOR McDONALD: I know this bill has been changed several times. Is it still excluded, oh, the anything under 25 miles an hour?

SENATOR AGUILAR: No.

SENATOR McDONALD: Okay. Are parades excluded, or is that included in the bill now?

SENATOR AGUILAR: Parades are excluded.

SENATOR McDONALD: Are excluded. So is there a particular mile per hour that's listed in the bill yet?

SENATOR AGUILAR: None.

SENATOR McDONALD: None. So at any point in time...what is excluded besides parades?

SENATOR AGUILAR: That's it.

SENATOR McDONALD: That's it. Agewise, are we still looking at children under the age of 18.

SENATOR AGUILAR: Correct.
